From: Iowa Tribe of Oklahoma/Grey Snow Eagle House

The Iowa Tribe of Oklahoma’s Grey Snow Eagle House welcomes the request of adult bald eagle wing or tail feathers for ceremonial needs to members of federally recognized tribal members living in Payne or Lincoln County, OK. As federal laws govern who is able to possess an eagle feather, we are only able to provide feathers to members of federally recognized tribes. All feathers must be picked up in person at the Grey Snow Eagle House by the applicant. There is a limit of 3 feathers per application. There is a limited number of feathers for this program each year. Once that allotment has been distributed, the application will show as “closed” on our website.

In order to be considered for a one-time feather distribution:

- Fill out the top of the attached application.
- Your tribe will need to certify your enrollment in the box.
- The verified application will need to be sent to the Grey Snow Eagle House
 - Please include:
 - Completed application,
 - copy of a CDIB card,
 - copy of a piece of mail proving applicant’s residence.
- The GSEH staff will verify all information, ensure the application is complete, and call you to make an appointment to pick up the feathers. Feathers will not be mailed and must be picked up in person by the applicant.
- Applications that are not complete and/or not members of federally recognized tribes will be discarded.

If you have questions pertaining to feather distribution, please contact either Ashley LoneTree at alonetree@iowanation.org or Megan Judkins at mjudkins@iowanation.org or 405-334-7471.

Figs 1 & 2: Adult bald eagle feathers are the only type of feathers distributed. The only color options are the two shown.
